The webinar titled **INTERNATIONAL OPPORTUNITIES FOR PHARMACISTS** *unlocking opportunities in Australia, New Zealand and Canada*. This webinar provided an in-depth look at the various international opportunities available for pharmacists in Australia. Arief Mohammad shared insights into the Australian healthcare system, the demand for pharmacists, and the pathways for international pharmacists to practice in Australia.

Our speaker Arief Mohammad, focused on the diverse career prospects available to pharmacists particularly for those considering in Australia. This webinar featured a lively QA session, where participants enquire about specific pathways.
